I also wanted to let you know that in every way I appreciate everything you did for us with our trip. The trip with you guys it was top class in every way. To be honest I couldn't imagine having a better trip with more opportunities for us to experience than what you put together and all I can say is thank you. Thank you for everything with the trip. Your ability to adapt to each situation is impressive and your confidence in dealing with my players and adjusting was amazing. Having been on 3 trips before with other companies rest assured that we will continue on with trips for our men's AND women's programs with XL in the future!
