Head to Heathrow for the return flight home full of memories of your amazing England experience

"XL travel toured our team through Northern Italy and the cities of Milan, Lake Como, Florence, Venice and even the Independent Republic of San Marino. They did a magnificent job of making sure the level of our games were challenging and the experience of each city was memorable and fulfilling. My greatest compliment is that XL did more than expected and I highly recommend XL Travel to anyone considering taking their team abroad."
