

XL SPORTS TOURS UNIQUE FUNDRAISING OPPORTUNITY

To help you raise funds for the trip XL Soccer Tours has a fantastic fund raising program with a prize valued at over \$5,00. The prize draw gives the lucky winner the chance to travel to England on one of our Soccer Fanatic Weekends with all ground expenses paid!

Here is how it works:

- 1) Your club decides on an XL Sports Tour
- 2) We immediately set up a registration page for the club and we ask people to register and pay an initial payment to secure their place on the tour within 30 days.
- 3) When that deposit is received simply contact XL to ask for your first book of raffle tickets and we will mail you 25 tickets to the value of \$500.
- 4) Approximately 30 days after that initial registration a participant is required to pay a further \$500 deposit and they then need to email us again and we will mail 25 more tickets.
- 5) With each consecutive payment of \$500 the participant can get another book of tickets so effectively a person can generate enough money to cover the trip!
- 6) Please note we will only send tickets to those tourists that request them. We do not simply send them to everyone who registers, as we want to ensure they are properly used.

Here are some common questions and answers:

Q: Does our team pay for the tickets to be produced?

A: No. XL Sports Tours pays for the tickets; you simply sell them for your own personal trip fund

Q: Do I collect the money and then send that on to XL Sports Tours?

A: No. All you have to do is deposit any money collected into your own account then mails a check or money order to XL Travel or pay electronically online at your registration page. Mail the ticket stubs to 825 Courtland St Orlando, FL 32804.

Q: What is included in the prize?

A: A premiership long weekend for 2 people including accommodation, game tickets, and transportation. You can go to www.Xlsportstours.com for further details and offers on current Fanatic packages.

Q: What is the date for the raffle draw?

A: The prize draw is made on October 31st of each year. Tickets received in the office by October 15th will be put into the draw for the 31st. Any tickets received after that date will automatically be entered into the following years draw.

Q: When is the trip?

A: We will give winners a choice of 3-5 dates

Q: What do I do if I don't sell the tickets?

A: Simply send them back to our headquarters

Q: What if people don't want to go to soccer games when in London?

A: We simply substitute the tickets for another preferred event such as tickets to the theater or any other type of sporting event or concert they may prefer that is of the same value.
